INKPEN WEEKLY NEWS

Message from Miss Buck

I had the pleasure of accompanying Crocus and Silver Birch to Forest School this week where we enjoyed a lovely sunny stroll up to the Crocus field. The children enjoyed squelching through the mud and splashing in the puddles. It brought me such joy to watch the children enjoying such simple pleasures in life. I was glad that I had my wellies too so that I could join in! (You're never too old to splash in a puddle or two!!!)

Key dates coming up

07.03.24 World Book Day

Thank you for your support and understanding in this matter.

We are delighted to announce that the children voted for their School Council representatives yesterday and the successful candidates were announced in assembly this morning.

Mrs Pilsworth is looking forward to the first meeting which will take place on Friday 8th March.

Thursday 7th March is World Book Day. We are really looking forward to seeing the children dress up as their favourite book character. For inspiration, and for resources to use at home, please visit:

Congratulations to our reading champions this week:

Thank you to the PSA for subsidising the Year 6 Leavers' hoodies this year. It is wonderful that everyone has purchased a hoodie and it was great to see the children wearing them with pride for PE yesterday. Children may now wear these hoodies as part of their PE kit on Mondays and Thursdays.

The PSA will be holding a Mother's Day Craft evening on Thursday 7th March so that children can make a special present for someone important in their life. If your child would like to join, please return your form by Tuesday 5th March. If you need another form, please pop in and ask Ms Lambert.

A family service is being held at St Michael's Church on Sunday 10th March. All are welcome.

The highlight of this week was undoubtedly the trip to The Living Rainforest on Wednesday. As always, the children represented the school perfectly and made us all incredibly proud.

Silver Birch and Crocus class enjoyed learning about "The Edible Rainforest" and Pheasants and Red Kites were fascinated to learn about animal adaptations.
