In Forest School this week, the Pheasant and Red Kite children created their own stick figure using natural materials. They demonstrated excellent teamwork and communication, not to mention excellent creativity!

Last week, the Pheasant children were given the privilege of attending a sports celebration in Maidenhead as a result of their incredible performance at a Tri-Gold festival earlier in the term. As well as participating in another golf tournament, the children got to take part in a range of amazing sporting activities, including circus skills! Thank you to everyone who came along and helped make the day so enjoyable! It goes without saying that they represented the school beautifully!

This time last week we were all recovering from an incredibly enjoyable fete. Thank you again to the representatives from our PSA who helped organise the event and for making it so successful. Although the final figures aren't yet in, I have heard rumours of it being over a whopping £4,000! This sum of money will make such a difference to the lives of all our children and families at school! Thank you so much! Here are just a few photographs from the day.
