HOME SCHOOL AGREEMENT - Academic Year 2025-2026

As a school we aim to encourage learning by providing a welcoming, happy and supportive environment. We give high priority to clear communication and to a positive partnership with parents. We encourage each member of the school's community to take responsibility for pupil development whilst attending our school, and we rely on the support of parents to achieve these aims. This includes a collective responsibility towards standards of behaviour based on honesty, respect, consideration and responsibility which includes an emphasis on good manners.

Our school's Behaviour Policy is available to download from our website and is also available from our school office.

Our home school agreement aims to define the support we expect from parents and pupils and what parents and pupils can expect from the school.
