Red Kite: Lucas

Pheasant: Logan

Muntjac: Poppy M

Stars of the week

27.02.26

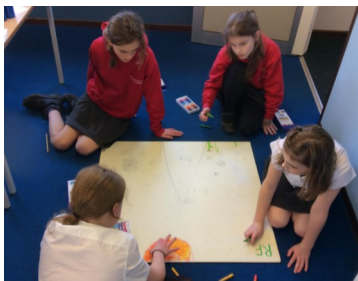

Red Kite: Evie

Pheasant: Olivia H

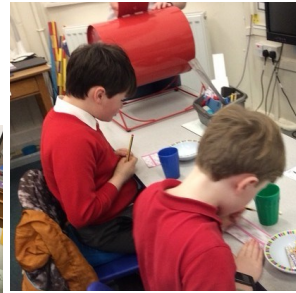

Muntjac: Olivia B

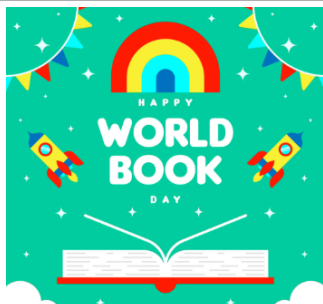

Pheasants and Red Kites finalised their art pieces this week. Red Kites created murals based on the environment and Pheasants created compositions with a chocolatey theme! We were so impressed with the final pieces but please don't just take our word for it. Come and see for yourselves at the Art Gallery on Friday afternoon.

Our PSA held a BINGO session for the children in KS2 last week which was a huge success. The children not only had a wonderful time, but they were raising money for the school at the same time. We are so grateful for our PSA for putting on these events for our children! Thank you.

Muntjac children love their PE sessions with Mr Mandry on a Wednesday afternoon. It was so lovely to be outside in the sunshine for the first of our multi-skills sessions. After a warm up which consisted of funny races, the children took part on a range of activities including basket ball shooting, vortex through, wall ball and hockey. They all had a wonderful time and showed excellent enthusiasm and resilience throughout.

Thursday is World Book Day. We cannot wait to celebrate a love of reading and to see everyone dressed up as their favourite book character!

On Wednesday, we had a live virtual assembly about the "WOW Walk to School Challenge". This challenge invites children and families to find more active ways of travelling to school where possible. By logging one active journey each week for a month, the children will earn a badge. There is a different badge to be earned each month for walking, scooting or cycling to school. Park and stride is also an option for those of you who live further afield. More information will be sent out this week.
