As part of their current DT unit, Muntjacs learnt different food preparation techniques this week. We looked at grating, spreading, snipping and cutting. We are looking forward to putting these skills into practise when we make our wraps at the end of the unit.

Inkpen Science Fair

What an incredible display of curiosity there was on Friday at our second annual science fair! We were all so impressed with the children's efforts into their projects— thank you adults for your support with this. It was a genuine pleasure to walk around and talk to the children about what they had researched. They were clearly incredibly passionate about their projects.
