1. Introduction

Inkpen Primary School is committed to providing an education of the highest quality for all pupils. Promoting good school attendance, good punctuality and reducing absence is central to ensure:

- every pupil's day-to-day welfare and safeguarding
- every pupil has access to full-time education
- that pupils make good progress academically and personally
- that pupils leave with the best possible opportunities for their future

This policy outlines the responsibilities for the school and parents in ensuring that pupils' attendance at Inkpen Primary School is the best it can be. It also outlines the strategies used by the school, alongside West Berkshire Council, to support and improve attendance.

The policy aims for all pupils to attend school regularly so they will be able to take advantage of the educational opportunities available.

Within this document 'parent' is defined as someone who has parental responsibility for a child or who has the care of that child.

2. Roles and responsibilities

2.1 Pupils (when developmentally ready to take some responsibility) are expected to:

- Attend school every day.
- Arrive at school on time.
- Be appropriately prepared for the day and ready to learn.
- Tell a trusted adult if there is a problem that might affect their school attendance.

2.2 Parents are responsible for:

- Ensuring that their children attend school regularly and on time.
- Informing the school on the first day of absence, by 09:00, with an explanation given.
- Providing full contact details, and emergency contact details; and update the school if any changes to these occur.
- Working in partnership with the school to resolve issues which may lead to non-attendance.
- Avoiding arranging medical/dental appointments during school hours.
- Not booking holidays during term-time.
- Treating staff with respect.
- Actively supporting the work of the school.
- Calling on staff for help when they need it.
- Communicating as early as possible circumstances which may affect absence or require support.
- Proactively engage with support offered.

2.3 All school staff are responsible for:

- Promoting good attendance.
- Providing a welcoming and safe environment, which encourages attendance and promotes the best performance from children.
- An awareness that absence from school is a potential safeguarding risk and understand their role in keeping children safe.
- Expecting regular attendance and punctuality from all members of the school community.

2.4 Head Teacher and Senior Leadership are responsible for:

- Ensuring the Attendance Policy is consistently applied throughout the school.
- Conveying clear messages about how absence affects attainment, wellbeing and wider outcomes.
- Empower all staff to take responsibility for attendance.
- Recognising attendance as an important area of school improvement. Make sure it is resourced appropriately (including through effective use of pupil premium funding) to create, build and maintain systems and performance.
- Having a Senior Attendance Champion in the senior leadership team with clearly assigned responsibilities which are identified within the attendance policy, escalation of procedures and school improvement plan. In our school this is the Headteacher, Miss Buck.
- Analysing attendance data to target attendance improvement efforts to the pupils or pupil cohorts who need it most.
- Making sure staff receive professional development and support to deploy attendance systems effectively.
- Consulting with the Local Authority Education Attendance Service where there are concerns around pupil's attendance or if there is a child missing from education.
- Governors should have an accurate view of school attendance and engage in escalation procedures where appropriate.

3. Recognising and rewarding good attendance

Regularly discuss and celebrate good attendance to help pupils and parents to understand the importance. This can be done through publicising good attendance during assemblies, newsletters and the termly report to the Governing Body. The school may offer incentives for good or improving attendance, such as prize draws and stationery gifts; and recognition such as certificates and postcards home. The school will remain mindful that some children, due to long term medical conditions, may never be able to achieve a high rate of attendance. This is taken into account when considering rewards for attendance and will include improved attendance so that individuals are not disadvantaged in these circumstances.

4. Recording Attendance

4.1 Attendance registers

Accurate and timely registers enable the school to safeguard children as well as to recognise and act upon any concerning attendance patterns. Registers are taken at the start of every morning and afternoon session.

4.2 Lateness

Parents are responsible for ensuring their child arrives at school on time.

- Pupils are expected to be on site by 8:45 am ready to be lead into school by their class teacher
- Pupils who arrive between 09:00 and 09:10 will be marked as late, but counted as present for that session.
- Pupils who arrive after the register has closed at 09:10, will be marked as absent for that session. If the parent provides a satisfactory explanation this will be marked as an 'authorised absence'; if the parent fails to provide a satisfactory explanation this will be marked as an 'unauthorised absence' for that session.
- The afternoon register is taken at 13:00.

- A normal school day ends at 15:15

4.3 Responding to absence

Parents are responsible for contacting the school when their child is absent to explain the reason. This may be done in the following ways:

- In person at the school office
- By email to office@inkpen.w-berks.sch.uk or headteacher@inkpen.w-berks.sch.uk
- By telephone on 01488 668219

If the school has not received a notification or explanation for absence from parents at the beginning of the school day, the Admin Officer will contact the parents to ensure safeguarding. Contact should be made on the first day of a child's absence and on each day the child will be absent following this.

- To ensure safeguarding, if absence continues without explanation, or if further information is needed, a home visit may be carried out.
- Home visits are not pre-arranged and can be made at any time, as required, at the discretion of the school. Staff will always carry identification and will expect to see the child in question, if only briefly, to ascertain how they are.

Once sufficient information has been gained, an absence code is determined by the appropriate member of staff in line with DfE guidance in Working Together to improve school attendance (2024). This decision is based on the information provided by parents when the child's absence is reported and will influence whether an absence is authorised or unauthorised.

5. Authorised and unauthorised absence

5.1 Leave of absence in term time

Parents must get permission from the Head Teacher in order to take their child out of school during term time. A leave of absence is granted entirely at the Head Teacher's discretion provided that:

- A completed application form is submitted in advance
- There are exceptional circumstances

Parents should plan holidays within the school breaks and avoid seeking permission from schools to take their children out of school during term time unless absolutely unavoidable.

Parents should be aware that an unauthorised leave of absence of 10 sessions or more can result in the issuing of a Penalty Notice, **served per parent, per child.**

- The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.
- A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160 if paid within 28 days. (Fines that are not paid may result in a prosecution).
- A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. Instead a prosecution, or other legal intervention, will be considered

5.2 When absences will be authorised

Absences will be authorised if:

- The pupil is absent with leave as agreed by the Headteacher due to exceptional circumstances.
- The pupil is ill (and there is no reason to doubt the legitimacy of this claim).
- The parent notifies the school of a medical or dental appointment (which could not be made outside of school hours).
- The absence occurs on a day exclusively set aside for religious observance by the religious body to which the pupil's parent belongs.
- The pupil is the child of Traveller parents who are known to be travelling for occupational purposes and have agreed this with the school, but it is not known whether the pupil is attending alternative provision.
- Leave of absence to allow a pupil to take part in a performance within the meaning of s37 of the Children and Young Persons Act 1963 © for which a child performance licence has been issued.

Only the school can authorise an absence. Where a parent has provided no explanation or the explanation given is not deemed to be valid, the absence will be treated as unauthorised.

6. Monitoring and improving irregular attendance

6.1 Reducing persistent absence

We regularly monitor cases where attendance is below 95%. In cases where absences are increasing, actions are taken which aim to prevent children becoming or remaining a 'persistent absentee' (<90%).

These actions may include:

- Regular and supportive telephone contact with the parent/s
- Supportive conversations and/or regular check-ins with the pupil (where appropriate)
- Use staged letters: first letter to indicate concern for a decline in attendance; second letter with an action or target to improve attendance
- Put individual support plans in place for pupils
- Meet with pupils and parents and create a SMART plan of action & review regularly
- Share plans & meeting notes with parents
- Engage with relevant external agencies involved

If these actions have been taken and attendance fails to improve a referral will be made to the Local Authority Education Attendance Service

6.2 Attendance and safeguarding

It is recognised that poor attendance may be a sign or symptom of a wider safeguarding issue that requires further support (this could include but is not limited to domestic abuse, mental health difficulties, substance misuse, or financial strain). Where there are concerns about a child's welfare, action will be taken in line with the School's Safeguarding Policy.

Whilst every pupil has a right to a full-time education and high attendance expectations should be set for all pupils, it is recognised that some individual pupils, or pupil cohorts, may experience additional barriers to attendance. In such cases, any specific needs will be considered and, where appropriate, adaptations made.

If all avenues of support have been facilitated by schools, the local authority, and other partners, and the appropriate educational support has been provided but severe absence for unauthorised reasons continues, it is likely to constitute neglect.

6.3 Formal and legal interventions

Inkpen Primary School and the Local Authority will seek to resolve any attendance concerns by working together to support the family with improving a child's attendance. Where this is not successful, or where parents do not engage with support, then more formal procedures may be followed.

Attendance contracts

- A formal written agreement between a parent and the school and/or Local Authority to address irregular attendance at school.
- Parents cannot be compelled to enter a contract, and they cannot be agreed in a parent's absence.
- This is a supportive tool, which aims to provide an alternative to prosecution.
- The aim is for the parent(s), pupil (if old enough), the school and Local Authority to work in partnership towards the common goal of improved attendance.

If an attendance contract is not effective at improving attendance, or is deemed not appropriate, the Local Authority has the option to progress legal interventions as a last resort:

- Penalty Notices
- Education Supervision Orders
- Fast Track intervention
- Attendance prosecutions
- Parenting Orders

6.4 Support back into school following a period of absence

Pupils who have been excluded or have had periods of absence due to ill-health or truancy should receive appropriate support to return to school, build confidence and bridge the gaps in their learning. These plans are drawn up in collaboration with parents and the pupil.

Authorised absence

R	Religious Observance	The pupil is absent on a day that is exclusively set apart for religious observance by the religious body the parent(s) belong to (not the parents themselves). As a general rule, 'a day exclusively set apart for religious observance' is a day when the pupil's parents would be expected by the religious body to which they belong to stay away from their employment in order to mark the occasion. If in doubt, schools should seek advice from the parent's religious body about whether it has set the day apart for religious observance. If a religious body sets apart a single day for a religious observance and the parent applies for more than one day, the school may only record one day using this code; the rest of the time would need a leave of absence, and this is granted at the school's discretion as set out under Code C.	Authorised Absence
I	Illness (not medical appointment)	The pupil is unable to attend due to illness (both physical and mental health related). Schools should advise parents to notify them on the first day the child is unable to attend due to illness.	Authorised Absence

Y4	Unable to attend due to the whole school site being unexpectedly closed Relevant regulation 10(10)	Where a school was planned to be open for a session, but the school is closed unexpectedly (e.g. due to adverse weather), the attendance register is not taken as usual because there is no school session. Instead, every pupil listed in the admission register at the time must be marked with code Y4 to record the fact that the school is closed. <i>This code may not be used for any planned closure such as weekends or holidays</i>	Not a possible attendance

Y7	Unable to attend because of any other unavoidable cause	<p>An unavoidable cause, that is not covered by one of the other 'unable to attend' codes detailed above, is preventing the pupil from attending the school. This code should be used only where something in the nature of an emergency has prevented the pupil from attending the session in question. The unavoidable cause must be something that affects the pupil, not the parent. The fact that a parent has done all they can to secure the attendance of the pupil at school does not, in itself, mean the pupil has been prevented by unavoidable cause. Schools must also record the nature of the unavoidable cause (regulation 10(6)).</p>	Not a possible attendance
