Reading Champions

08.05.26

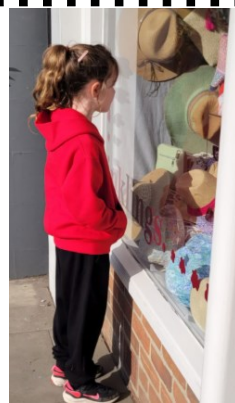

Red Kite: Lucas

Pheasant: Olivia

Muntjac: Leda

The Muntjac children in Years 1 and 2 had a very special piece of Home Learning this week. They went on a "field trip" into Hungerford to find out how the town is used by residents and visitors. They completed tally charts to show their results and used these in school on Thursday to support their learning in their Geography lesson. A huge thank you to our Muntjac parents for supporting this learning. Our excellent partnership with parents in another one of the things that makes us such a wonderful school!

Last week our Pheasant children took part in a cricket festival at Falkland Cricket Club. As always, they behaved impeccably, worked wonderfully as part of a team and looked incredibly smart in our Inkpen sports kit.

As a school, we work in partnership with the Mental Health Support Team. This week, someone from the team delivered a "Resilience workshop" to our children. The children explored their strengths and qualities as well as how to change negative thoughts and feelings into positive affirmations. They also learnt some breathing techniques which we will be incorporating into parts of our school day.
