

Crocus EYFS Summer Term Curriculum Map

Expressive arts and design:

Creating with materials

Learning about art from different parts of the world and create artwork with different materials

Creating models inspired by our "Under the Sea" themed books

Being imaginative and expressive

Clapping along to the rhythm of different pieces of music

Playing along to pieces of music with tuned instruments

Key Texts:

Commotion in the Ocean by Giles Andreae

Octopus Shocktopus by Peter Bentley

Meet the Oceans by Caryl Hart

Puffin Peter by Petr Horacek

Lost and Found by Oliver Jeffers

Papa Penguin by Lindsay Camp

Literacy:

Comprehension

Asking questions about the different books we read

Making simple predictions about the stories we are reading

Use new vocabulary from our key texts

Word Reading

Using our phonics to read simple sentences

Reading "tricky words" that we have found in our stories

Spot rhyming words in our key texts

Writing

Writing descriptive sentences about creatures found under the sea

Adding labels and captions to pictures from different stories

Using my phonics to write information about the different oceans

Communication and Language

Listening, Attention and Understanding

Listening carefully to our key texts and identifying the rhyming words in them

Speaking

Participating in discussions about the information learnt in our key texts: Meet the Oceans and Papa Penguin

Personal, Social and Emotional Development

Self Regulation

How do the characters in our key texts feel? Have you ever felt like this before? What can you do to make yourself feel better?

Managing Self

Demonstrating resilience when designing and using our own obstacle courses

Building Relationships

Learning through our key texts that everyone is different and we need to respect others' similarities and differences

Physical Development:

Fine Motor Skills:

Using a range of construction materials to join in different ways

Weaving with different materials

Gross Motor Skills:

Athletics

Creating and using obstacle courses

Understanding the World:

Past and Present

Learning about the moon landing

The Natural World

Looking at different plants trees in our school and in our close surroundings

People, Culture and Community

How is life in Kenya different to life in the UK?

Mathematics:

Number

Building numbers with different equipment and resources

Learning addition and subtraction facts within 10

Numerical patterns

Doubling numbers up to 10

Exploring and representing odd and even numbers

Making patterns with numbers and shapes
